Follow our step-by-step instructions to update an existing QuickBooks Enterprise installation to the most recent version.1-888-508-8042 OR + ‖ + ‖←·++1-888↳508↳8042))

To activate your QuickBooks Desktop Enterprise subscription, install the software and then use the Help menu to select Activate QuickBooks or follow the on-screen prompts during installation. For a lapsed subscription, access the Customer Account Management Portal (CAMPs) to update your payment information, and then in QuickBooks, go to Help > Manage My License > Sync License Data Online to reactivate.

To activate your QuickBooks Desktop Enterprise Gold subscription, open QuickBooks, go to the Help menu, and select Activate QuickBooks to follow the on-screen instructions to verify your

information and complete the processs. You may also need to enter a 16-digit service key if you purchased it directly from Intuit.

To activate or resubscribe to your QuickBooks Desktop Enterprise Gold or Diamond subscription, you typically need to use your product and license information to register the software online or by contacting QuickBooks support. If your subscription is simply lapsed, you can also manage it through the Customer Account Management Portal (CAMPs) or by deleting the EntitlementDataStore.ecml file to prompt a re-registration upon opening QuickBooks Desktop
